

Dear Simmental Breeders:

The Wisconsin Simmental Association (WSA) would like to invite you to make plans to consign to the Wisconsin Spring Spectacular Sale sponsored by the Wisconsin Simmental Association Sunday March 11, 2012. The Wisconsin Spring Spectacular Sale has become a great marketing showcase for breeders to sell cattle from their program. We invite you to join us in making this year's Wisconsin Spring Spectacular one of the best. We are looking for genetic features (flushes, embryos, and pregnancies), bred heifers, cows, cow/calf pairs, show heifer prospects, and a few select bulls.

Your consignments are needed early to help make this a top notch sale. WSA looks forward to serving breeders with their marketing needs. Please note the deadlines we have to meet in advertising and preparation of the sale catalog.

Important Information & Deadlines

1. Completed sale entry forms including footnotes, breeding information, and pictures are due to Aaron Zimmerman by February 1, 2012. **The earlier you can get this information in, the better we can promote the sale.**
2. All consignments must have a valid registration paper. Registration papers must be presented to sale management at time of check in.
 - A. Calves on side of cows (Spring born 2012) will not be required to have registration paper. Consignor must provide calf information with the dam's registration paper.
 - B. Fall born calves on side of cows must have their own registration paper to be presented to sale management.
3. Nomination fee of \$50 per lot with a maximum of \$200 per consignor must accompany all nominations. Please make checks payable to WSA. Nomination fees are non-refundable, but will be applied to your sale commission when your consignment sells.
4. All consignors must be Wisconsin Simmental Association Members. If you are not a member, WSA membership (\$30) will be taken out of your sale proceeds.
5. Health papers must accompany **all** animals to the sale site. One paper per consignor.
6. All bulls must be semen checked. Semen testing will be available at the sale site; all expenses will be the sellers' responsibility.
7. There will be pens available for unaltered cattle.
8. If assistance is needed in selection of your cattle, please call any of the Sale Committee members (listed below) and they will assist you in selecting cattle.
